

MEGUMI KURAMITSU

Japan Market Entry Advisor | Healthcare, Pharma & MedTech
Tokyo, Japan • megumik0727@gmail.com • Japanese / English

PROFESSIONAL SUMMARY

Bilingual (Japanese/English) healthcare business professional with 15 years of experience across management consulting, healthcare IT, pharmaceutical marketing, and global enterprise sales in Japan. Combines a working understanding of Japan's healthcare stakeholders, including physicians, KOLs, hospitals, pharmaceutical companies, and medical device manufacturers, with cross-border experience as the Japan-side counterpart to a leading US telehealth company. Available for project-based advisory engagements on Japan market entry, market research, and go-to-market strategy.

AREAS OF EXPERTISE

- Japan Market Entry Strategy
- Healthcare Market Research
- Go-to-Market Strategy
- Physician & KOL Engagement
- Business Planning & KPI Design
- Partnership & Alliance Development
- Medical Congress & Event Marketing
- Salesforce / CRM Adoption
- Cross-border Coordination

SELECTED ACHIEVEMENTS

- Served as the Japan-side counterpart to Teladoc Health, Inc. (US) for its telehealth business in Japan, covering business planning, KPI design, and localization of clinical case materials.
- Led the PMO that replaced a 30-year-old legacy sales system with Salesforce at Kawasaki Heavy Industries' Robot Division.
- Won a global WAN RFP that contributed JPY 214 million in revenue and received the FY2012 Top Enterprise Sales Award at SoftBank.
- Conducted healthcare feasibility research at PwC, including analysis of local health systems and interviews with overseas medical institutions.

PROFESSIONAL EXPERIENCE

Medii, Inc.

Project Manager, Pharma Excellence Division

Health-tech company operating Medii E-Consult, an online specialist consultation platform for physicians, and Medii Q, an AI search tool for clinical questions.

Tokyo, Japan

Feb 2025 – Present

- Plan and manage disease-specific marketing programs in partnership with pharmaceutical companies.
- Extend specialist expertise to primary care physicians to support earlier diagnosis and treatment of rare and hard-to-diagnose diseases.

WeMex Co., Ltd.

Business Planning & Promotion, Healthcare IT Division

Healthcare IT division offering telehealth solutions to hospitals in Japan.

Tokyo, Japan

Nov 2021 – Jan 2025

- **Business planning:** Developed the telehealth business plan, set KGI and KPIs, and managed progress; defined Salesforce requirements for KPI data collection.
- **US partner management:** Served as the Japan-side counterpart to Teladoc Health, Inc., coordinating product and clinical case information and securing US physicians as speakers for Japanese seminars.
- **Alliances:** Established sales alliances with medical device manufacturers.
- **Marketing:** Led medical congress exhibitions from planning through lead conversion, along with product launches, media events, webinars, white papers, press releases, and website lead generation.
- **Hospital sales:** Designed a telehealth trial with a university hospital's medical DX department, defining evaluation criteria and target outcomes, analyzing outcome data, and supporting the process through institutional purchase approval.
- **Demand generation:** Generated sales opportunities through outbound campaigns and a nationwide physician survey conducted with key opinion leaders.

Kawasaki Heavy Industries, Ltd.**Sales Planning, Robot Division**Tokyo, Japan
Jul 2017 – Oct 2021

- **Salesforce PMO (2019–2020):** Led the PMO and system administration for migrating the lead-to-order process from a 30-year-old in-house system to Salesforce. Simplified sales data entry and secured buy-in from a resistant sales organization through adoption design.
- **Marketing communications:** Managed the planning and production of the division website, product catalogs, exhibition brochures, and commemorative publications.
- **Corporate events:** Directed planning and on-site operations for press conferences, distributor meetings, and anniversary ceremonies.

PwC Aarata LLC**Associate, Sustainability Team**Tokyo, Japan
Jan 2015 – Jun 2017

- Supported the secretariat of a government-affiliated public-private program that helps Japanese companies launch base-of-the-pyramid (BOP) businesses in emerging markets, advising on program strategy and operations as an intermediary between the public and private sectors.
- Conducted research engagements in Bangladesh for the Ministry of Economy, Trade and Industry (METI) and the Cabinet Office of Japan.
- Performed healthcare feasibility research for a new business, including analysis of local health systems and interviews with overseas medical institutions.

SoftBank Corp. (formerly SoftBank Telecom Corp.)**Global Sales Representative****Account Sales**Tokyo, Japan
Aug 2011 – Dec 2014
Apr 2011 – Aug 2011

- Sold global data network services, including global MPLS, Internet VPN, and overseas data centers, to large Japanese and multinational corporations, split evenly between new business and account growth; delivered proposals in Japanese and English.
- Won a global WAN RFP that contributed JPY 214 million in revenue and received the FY2012 Top Enterprise Sales Award.
- Received the FY2012 Top Sales Award for Enterprise Sales Division 1 for a Cisco TelePresence implementation at client sites in the US and UK.
- Closed the department's fourth-largest global MPLS deal by revenue in 2012, and recorded the highest landline sales in the 2011 new-hire cohort.
